

"Cizí jazyky pro život"

Klíčová aktivita KA 01 - Rodilí mluvčí do škol

My name is Paul, and I'm from Hawaii. I'm from the island of Oahu, which is a tropical island in the middle of the Pacific. It has a beautiful landscape, as well as beaches and forests. It's the 50th State of the United States, and is center for tourism, and people visit every year to experience the beautiful beaches, weather, and culture. It is famous for speciality foods such as pineapple and coffee, and excellent fish and fruits. It's also a popular place for ocean and scientific research.

I love literature as well as writing, and my passion for teaching comes from my passion for language and literature. I love teaching and all aspects of learning and language acquisition. I look forward to working with this excellent school in Kralovske Porici.
